Enablement Manager

jane.doe@example.com | +1 555 0100 | Springfield | linkedin.com/in/example | example.com

EXPERIENCE

Enablement Manager, Acme Software — Mar 2020 - Present | Remote

- Built a global onboarding program for 120 new sales hires a year, cutting time to first deal from five months to three.
- Designed a certification path for customer success managers with hands-on labs and a final assessment.
- Introduced AI-assisted content workflows that halved the time to update product training after each release.
- Ran quarterly train-the-trainer sessions for regional enablement leads in four countries.

Technical Trainer, Globex Corporation — Jan 2016 - Feb 2020 | Springfield

- Delivered administrator training on the company's cloud platform to enterprise customers, live and virtual.
- Wrote lab guides and job aids used by every trainer on the team.

SELECTED WORK

Study Buddy - a flashcard web app that turns course notes into spaced-repetition decks — Jun 2025 - Present

- Built with AI coding tools in three weeks: note import, automatic card generation with human review, and progress tracking.
